Addendum No. 2

To Offerors: Request for Proposals

Building Commissioning Services

Renovation Projects at M&T Bank Stadium

Date Issued: October 2, 2023

This addendum is hereby made part of the Request for Proposals dated September 21, 2023, as amended, on the subject work as though originally included therein. The following amendments, additions, and/or corrections shall govern this solicitation.

This addendum incorporates the following items:

- 1. A copy of the web pre-proposal power point presentation is attached hereto.
- 2. A copy of the web pre-proposal conference registration and attendee list is attached hereto.
- 3. A copy of the site visit sign in sheet is attached hereto.

Note: All addenda must be acknowledged by the Offeror in the Technical Proposal.

Yamillette Waite Procurement Officer

MBE LIASION

MARYLAND STADIUM AUTHORITY

- Established by the Maryland General Assembly in 1986.
- Original mission was to build, manage, and maintain quality facilities to retain Major League Baseball, and return the NFL to Baltimore, Maryland.
- ❖ Legislation enacted in 1987 approved Camden Yards as the site for the new stadium complex and granted MSA administrative and operational powers.
- ❖ Pursuant to MD Code Ann., Econ. Dev. §10-622, the Authority is authorized to prepare studies, and carry out design and construction projects throughout the State.

SCOPE OF SERVICES

The MSA is issuing this Request for Proposals to implement and manage building commissioning services for the M&T Bank Stadium Renovation Projects in Baltimore, MD. MSA is seeking a commissioning firm to implement the commissioning process in the renovated facility. The objective of commissioning is to ensure that all energy-related and other building systems installed are performing per the design intent and to provide documented confirmation that the renovated facility systems fulfill the operational, functional, and performance requirements of MSA, its occupants, and the maintainability standards of the Operation and Maintenance (O&M) personnel.

Please refer to **Section 3** of your respective RFP for the full scope of work and all references to attachments relevant to the RFP.

MINIMUM QUALIFICATIONS

At a minimum, Offerors shall meet the following qualifications to be considered for award:

2.1 Offeror Qualifications

- Offeror shall be a firm specializing in providing commissioning services and experienced in establishing, overseeing, monitoring, tracking, and reporting commissioning requirements;
- Offeror shall have significant experience participating in all phases of construction including design review, submittal review, construction monitoring, owner training, O&M review, post acceptance, final and post occupancy commissioning;
- Offeror shall have significant experience in developing and implementing project specific commissioning plans for new construction projects;

MINIMUM QUALIFICATIONS CONT.

- Offeror shall demonstrate a minimum of seven (7) years of experience providing fundamental and enhanced building enclosure commissioning services;
- Offeror shall demonstrate knowledge of LEED accreditation requirements and building techniques;
- Offeror shall have a minimum of three (3) years of experience in developing building and systems maintenance plans;
- Offeror shall have experience with complex integration of new systems in buildings 60,000GSF or larger;
- Offeror shall have experience with large public gathering venues such as athletic facilities, hotels/conference centers, convention centers, educational facilities, office buildings, etc; and,
- Offeror shall meet the insurance requirements stated in the Sample Contract, Attachment J.

MINORITY BUSINESS ENTERPRISES

Minimum overall MBE subcontract participation goal is 12%; no subgoals.

- ❖ All subcontractors named by the Offeror as part of their MBE Schedule must be certified with the Maryland Department of Transportation ("MDOT").
- ❖ Offerors' submissions must also include the MBE subcontractor's MDOT certification number & NAICS product and service description of work to be performed. MBE form D-1A must be submitted with the Technical Proposal.
- For information on certified MBE firms, the directory is available at https://marylandmdbe.mdbecert.com/?TN=marylandmdbe. Select the MBE Program label at the left side of the website.
- ❖ The Governor's Office of Small, Minority & Women Business Affairs has issued a Q&A document regarding how to count participation by MBE primes. Information is available on GOSBA's website (http://goma.Maryland.gov/Pages/Reporting-Tool-MBE.aspx).

PROPOSAL SUBMISSIONS

- All submissions must be sent electronically. DO NOT send them via email. Use the links provided in Section 1.10 of your respective RFP.
- See Section 4 of the RFP for all proposal and submission requirements, including format requirements.
- Technical Volume:
 - Transmittal letter
 - Title and Table of Contents
 - Executive Summary
 - Work Plan and Offeror Experience
 - Bid/Proposal Affidavit (Attachment A)
 - Conflict of Interest Disclosure (Attachment B)
 - Capacity Summary Worksheet for Key Personnel (Attachment G)
 - Corporate Profile (Attachment E)
 - Proof of Insurance/ability to meet insurance requirements
 - MBE Form D1-A "MBE Útilization and Fair Solicitation Affidavit and MBE Participation Schedule" (Attachment D)
 - Corporate Diversity Affidavit and Addendum (Attachment L)
- Financial Volume (if short-listed):
 - Pricing Form (Attachment H)

EVALUATION CRITERIA

- ❖ Technical criteria has more weight than Financial criteria. Proposals will be evaluated based on the adequacy of their proposed work plan, Offeror's experience and qualifications, and past performance, among other criteria listed in Section 5.2 of the RFP.
- ❖ The Selection Committee will review the Offerors' Technical Proposals. Firms deemed as meeting all requirements will be ranked and, based on the achieved rankings, selected firms will then be "short-listed."
- Short-listed firms will be invited to conduct an oral presentation (if needed).
- After oral presentations and based on achieved rankings, the Selection Committee will select which short-listed firms will be requested to submit a financial Proposal. Offerors that are not short-listed will be notified that they are not reasonably susceptible of being selected for award.
- Award will be made to the Offeror whose proposal is determined to be the most advantageous, considering technical and financial evaluation factors.

GENERAL SUBMISSION ISSUES

- Make sure to indicate your availability for oral presentations in your proposal.
- Make sure to use the forms issued with the RFP or its addenda. Outdated forms will be returned for Offeror's correction and could impact overall quality of submission. DO NOT ALTER State issued forms.
- MBE forms need to include both the NAICS code and a description of the work to be performed by the MBE on the project.
- SDAT Compliance Make sure that your firm is in good standing with the Maryland Department of Assessments and Taxation.

QUESTIONS

- ❖ All questions regarding the RFP must be submitted to the Procurement Officer in writing via the link included in Section 1.9 prior to the deadline given for questions in order to receive an official response from the Maryland Stadium Authority.
- Only responses provided in writing by the Maryland Stadium Authority will be considered official answers to questions regarding this RFP.
- ❖ Addenda will be posted on eMMA, MSA's website, and will be sent via GovDelivery to everyone who participated in this pre-proposal. Please check your junk/spam folders and update your e-mail settings to ensure that you receive MSA Contracting GovDelivery emails.
